

Niskanen Center Funding Sources

Reflecting the value we place on transparency, the following is a list of all funders with active contributions of \$10,000 or more during the current calendar year. This list is updated monthly and adheres to the principles of donor intent and donor rights. We vet all contributions made in support of our work and any donation listed as Anonymous is a known contributor who expressly opted out of appearing on this list. We do not accept funding from unknown contributors.
